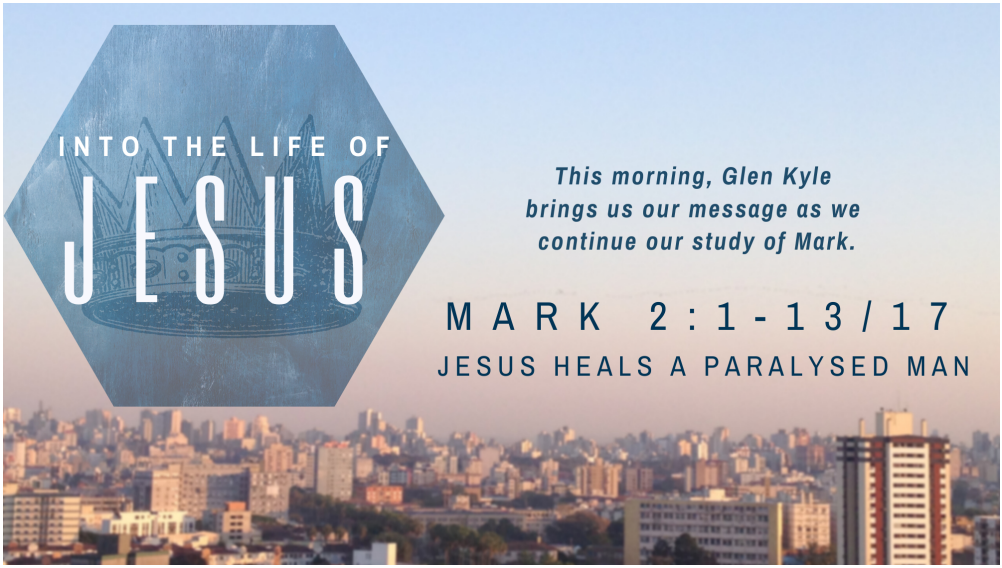
LIFE WITH GOD FOR THE WORLD

Nov 10
2019



This morning, Glen Kyle brings us our message as we continue our study of Mark.

MARK 2:1-13/17

JESUS HEALS A PARALYSED MAN

They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.

PRAYER MATTERS

This week we pray for **Daniel & Sandi McDougall** who serve at UVic with **International Student Ministries Canada.** Daniel and Sandi report that this fall term has been especially encouraging/challenging for two reasons: First, students are asking questions that aren't merely 'informational' but profoundly 'transformational' as they grapple with a rescuing Jesus who isn't merely an extra arrow in their quiver of coping strategies. Second, for many international students their real-life cost of following Jesus can strain allegiances in their family and social connections. Please pray for Daniel and Sandi as they listen to and embrace students with the friendship of God himself.
