

Partner Churches and Partner Associations

Sorrento Centre is looking for new participants this summer

It is a priority of Sorrento Centre's ministry to invite families and individuals who have not been here before. Through our educational ministry at Sorrento Centre we would like to support the ongoing ministry of parishes.

Churches and associations are invited to partner with Sorrento Centre in inviting new families and individuals to benefit from the summer programs. For every four family registrations (or equivalent) from a partner organization, a fifth new family or individual is eligible to receive a credit valued up to \$600.00. This credit will be used toward the program costs for a family's stay for a week. All costs over the credited amount would be the guest's responsibility.

How does it work?

1. Sorrento Centre has published its summer program and people have begun to register.
 2. Congregations and organizations who choose to partner in this "5 for the price of 4" discount need to submit a Church Partnership Registration Form in order to be eligible for the discount. A registration form is found on page 2 of this document and may be mailed, faxed or scanned and emailed.
 3. Parish Contacts, clergy or an appointed congregational/organization leader can promote and monitor registration.
 4. Churches/Organizations who have registered for the partnership will have their registration count confirmed by Sorrento Centre. (People registering should be reminded to indicate their home congregation or organization.) Churches/Organizations should reach out to Sorrento Centre and share the names of the four (or more) families who have registered – we will require parishes to know this information!
 5. When four or more family registrations/households from a congregation or registered organization are received, we will award the eligible registrant from that Church/Organization a credit of up to \$600, to be used to help cover the program costs for a new family's stay.
 6. This credit will be awarded to families or individuals who have not been to Sorrento Centre before. Credit will be granted to eligible registrants up to and including the last summer program week of 2019.
 7. Parish contacts, clergy, or appointed congregation/organization leaders can keep their own count of summer registrants and confirm the Sorrento Centre count. Identification of people already registered from a partner church or organization, and contact with Sorrento Centre to confirm these registrations will facilitate the registration of the new family.
 8. "Family" is defined as all registrants living at the same address.
 9. This discount cannot be combined with the newcomers' discount.
 10. Use of the partnership discount is limited to availability of space at time of booking.
