

TEC is...

A three day weekend retreat. It begins at 10am on a Saturday and ends at about 4pm on Monday. Participants are required to attend all three days. It's a special learning experience for anyone between the ages of 16 and 21. TEC is a weekend free from the pressure and stress of school and work, where you will experience living with others and with Christ in a Christian community. The program is based on talks and discussions. Worship is also an important part of the weekend, as is live music, fun and fellowship. However, it is not a therapy program. Anyone undergoing serious personal crisis should reconsider attending the upcoming weekend.
