
Queen Mary Elementary

Grades 1-6

This season, students will explore the intricate details of the breathtaking Taj Mahal and, we'll take an imaginary trip to some beautiful places to draw a cute flamingo as well as learn about the history and artistry of a kimono. Students will learn basic to intermediate drawing skills, art techniques and vocabulary using an engaging methodology that all children can succeed with. We give them skills to express their creativity, introducing them to a fascinating world of colour, pattern and design. Be prepared for a bountiful selection of drawings!
