# SUMMER APPEAL | APRIL 2020

Dear Friends,

Thank you for your generous response in our last appeal to help Pastor Lance Naylor and Christian Life Assembly in Barriere, BC. Together we were able to send \$8,707 to help them with the much needed repairs and upgrades to their building. May God bless you for your ministry.

Our summer project is to assist Pastor Mike McIntyre and Houston Pentecostal Church in Houston, BC. Together we would like to help with

replacing the parsonage (manse) roof and its eaves .

May God bless you as you consider to be a part of improving the Lord's house in Barriere. Thank you immensely for your heart of generosity.

In His Service,

Darwin Pichette, Assistant District Superintendent for Operations

## WHO WE ARE

This program assists smaller and pioneer assemblies with the purchase of property and the construction or renovating of church buildings. It is a creative plan that allows us the privilege of investing and having a share in God's work in many communities without actually living there.

Since 1957, we have raised over \$1.4 million through the generosity of our churches and individuals donors. This generous support has enabled our churches to accomplish many necessary capital improvement projects. We invite you to participate with us in God's Kingdom.

## HOW IT WORKS

As part of the Ministry Investors Group, you will receive up to 3 appeals a year, each time with an explanation of the need. In response you are requested to send a donation of \$10 or more. This amount does not purchase much today, but put together, these gifts achieve major positive results. Please consider joining today. Investing in God's work on earth pays eternal dividends. Be a wise investor!

### Projects are chosen based upon the following criteria:

- Applications are correctly filled out and received by the assigned date.
- Churches/Leaders requesting assistance are willing to promote the project to their local congregation.
- Churches/ministries requesting assistance have shown adequate tenacity in fundraising for the project.
- The project meets the program's requirements as outlines in the application form.

**SINCE 1957**  
we have raised over  
**\$1.48 MILLION**  
through **YOUR** generosity  
**THANK YOU!**

3 times per year, an individual will be asked to give \$10 or more.

That single investment, joined with similar investments, will raise thousands of dollars.

These "small investments" go a long way in helping churches across our district.
