Ask community "What can we do to help" Deal with the world at our doorstep.	6						
Love the idea of Just Faith		2					
Partnering with a charity (but which?)	2						
Charities where we can give money and time	1						
Bring speakers to Outreach to explain situations to engage the world in an informed way. Organized series on poverty, racism, financial stress abusive relationships.							2
Focus on activities that develop more meaningful connection to our community	1						
Disco Soup day. See: https://www.slowfood.com/what-we-do/international-events/world-disco-soup-day/			1				
Explore how to partner with the community and other parishes; get stronger together	1						
Is Outreach a core part of our mission? Decide					1		
PWRDF can help overseas				1			
Truth and Reconciliation: not so sure, it is a subject that creates issues.						1	
Truth and Reconciliation: increase awareness and education of parish. Has anyone asked first nations what reconciliation looks like to them?						1	1
How to connect to the Musqueam Nation. Should we partner with Immaculate Conception they may be primarily Catholic... to include Catholic believers	1			1		1	
Truth and Reconciliation: what venue is the best to make a difference? Is it us?						1	
What about Truth and Reconciliation for the Japanese in BC and the men from India in 1910s.						1	
St Philip's needs to decide if it wants to support outreach as a core part of our mission.					1		
Direct Action – We often focus on places far away, overseas. Opportunities for action nationally and locally e.g. clean water for all. Realizing that we already do LOTS, but I'm just thinking about projects that resonate with youth (up to 30) or other demographics.	1

Are we spreading our efforts too far around?					1		
Direct Action - Stewardship of the place and opportunities to show stewardship of our planet e.g. Community clean up.	1			1			
More workshops like Kairos Blanket Project: a great way to start 1) understanding, 2) building relationships, 3) reconciliation						1	1
Truth and Reconciliation. How?						1	
We need to understand what First Nations have experienced (and still do) by listening to those who have live it.						1	
Begin to build relationships with our neighbours, especially Musqueam: invite for dinner, invite to share music & stories. A place to start.						1	
Partnerships. Great idea. New opportunities to start on new projects. Bring "them" to us and us to "them".	1						
Outreach: support as specifically as needed				1			
Many actions could be organized in our church to help charities or people in need our neighbourhood. Let's do "Disco Soup".	1		1				
Is there some way we could connect more personally with local charities?	1						
Invite recipients of outreach to come and speak about their experiences (if they feel comfortable)							1
Just Faith: love this idea!		1
