WEEKLY NEWSLETTER |
ELIM TABERNACLE
MAY 19

Hello Everyone.

We thought it would be a good idea to start a newsletter to help keep everyone informed and updated.

We hope it encourages you and lets you know you are loved and missed.

Sunday's Messages:

A lot of effort and time is spent pulling our online service together for you. Pastor Ben, Pastor Bruce, and your music team have been separately recording their messages and songs during the week then Pastor Bruce spends hours looping it all together so you can enjoy from the comfort of your home.

The Music Team

Here is my report of what is happening with the music ministry.

I have just started adding more voices and instruments to our Sunday Service worship as the regulations have started to relax a bit. We are still trying to improve sound quality with Gary's help and record the words so you can sing along.

For the team to meet I have to go in the day before recording, pick the music, pull it out for each person, make sure ALL singers are nowhere near one another. As we move forward with this, I will be doing up a schedule for the singers so we are not breathing all over each other.

Pastor's Report

Hello Elim Family. It is my prayer that Covid-19 would bring out the best in us. It is a challenge to stay engaged in God's work and His Word isn't it? To help with our engagement We have a devotional time of 8:30 to 9:00 am Monday to Friday. We will now be having a prayer meeting on Tuesday night at 7pm and a Discipleship class on Thursday evenings at 7pm.

I hope that your devotions are better. I think mine are. In the absence of personal contact, it is possible for our relationships to get deeper too. I am trying to pray every day I can with everyone I can. How about you?

Please keep in contact and prayer with our Elim Family. We are doing a lot on social media which requires a great deal of video editing. Is there anything I can do for you? Please let me know.

Are you growing through hobbies or gardening? I trust you are using your time creatively. My hope is that we will reflect upon Covid-19 as a time of personal growth and development, a time of deepening our relationships with God and with each other. God bless you.
