

MAILING DIRECTORY FOR CHURCH OFFERINGS

*“For where your treasure is, there your heart will be also.”
Matthew 6:21*

During the COVID-19 pandemic the vast majority of our regular church expenses will continue. To ensure the continued financial health of our ministries, members of the Parish of the Valley are invited to forward regular offerings (cash or cheque) to their church using the mailing addresses listed below.

When mailing, please include your regular Sunday offering envelope with your individual number, and/or your name and mailing address for income tax receipt purposes. **Please do not mail offering envelopes without first putting them inside a mailing envelope.**

Congregations marked with an asterisk (*) offer the possibility of Pre-Authorized Remittances from your bank account. Forms for this can be downloaded from our website and mailed to the addresses below.
