### Leadership Board Update:

Hello everyone. We hope you are doing well. Please reach out to each other and/or the church office if you need help with anything. Or just to connect.

The Leadership Board met via zoom again recently. A few items:

- We are proceeding with the search for an incoming Associate Pastor Intern. This looks very promising.
- The Alberta government has started to allow in-person worship services to resume, as long as numerous restrictions are in place. At this point, those restrictions are quite onerous, and would make gathering difficult - and potentially ineffective. We intend to hold off on resuming services until we feel confident that this can be done safely and well. Stay tuned.
- We are uncertain about how to proceed with our annual congregational meeting, which is normally held in May. May or even June will not work well. We hope that September or October is possible for this. This meeting normally includes updates regarding leadership, governance and ministry.
- We hope those who serve in various roles will be willing to continue to serve in their current roles through this fall. If you prefer to step down, please contact Hannah at the office.

Feedback welcome, to any of us.
