WHAT IS GRACE GIVING AND WHY SHOULD I DO IT?

Grace giving is our response to the way God graciously treats us. It flows freely from a willing heart and is marked by generosity. We participate according to our individual ability.

"...as you abound in everything...see that you abound in this grace also." - 2 Corinthians 8:7

HOW DOES GRACE GIVING DIFFER FROM TITHING?

Tithing is a set amount – 10%. The amount of grace giving is an individual choice, but is marked by generosity such that you would *"...ahead of time prepare your generous gift beforehand...previously promised, that it may be ready as a matter of generosity and not as grudging obligation."*

- 2 Corinthians 9:5

HOW DO I PRACTICE GRACE GIVING?

See the graphic on the reverse for an easy way to view various percentage scenarios of giving by annual, monthly and weekly basis.

PAD (Pre-Authorized Donation) is a convenient way to even out and ensure your grace giving is ongoing. Donations are made monthly either from your bank account or credit card. More info is readily available.

"the generous soul will be made rich, and they who water will also be watered themselves" - Proverbs 11:25
