a) To proclaim the Good News of the Kingdom, we

**Our outreach as mentioned elsewhere in this survey.**

## **V. Anything Else?**

If, in your opinion, there is something else that a potential candidate for Bishop of The Territory of The People needs to know about your parish that you were not able to express elsewhere in this survey, please use the space below to include it.

**Although the greater church is important, it would be helpful to have more contact with local churches within the Territory. The church seems to put significant emphasis on national meetings and we wonder about the benefits of these meetings for our Territory**

Thank you for your contribution to the process of developing the Profile for the Territory of the People to be used for electing a Bishop when the time comes to do so.
