Welcome Back! We are excited to be hosting services in the building again. This is a completely new experience with many things to think of and learn. Please show grace as we navigate this. This is not normal and it will take some time getting used to. Please respect the rules that we need to abide by. We ask that you show up only 10 minutes in advance and that you try to

Missionary Corner - Motola

The months have gone by quickly. I had been asking for, and expressing a need for a real break and I sure got it. It was a time to be with Suzanne and with the Lord in a much more focused and intentional way. We prayed together and studied the word together and listened to some great speakers, and experimented in the kitchen and went for walks and I for bike rides. And we even had an opportunity to visit our children in San Diego and Santa Barbara.

Our move is on hold for the time being. We enjoy where we are and have no reason to make a move now. We still feel we are to get closer to our children but the exact time is undetermined. The Lord must have some other plans for us and we are happy to wait on Him. He always comes through with something way better than we could have imagined. I have been able to continue with my immigration consulting and visa work for people here on the Chico

base. I have been blessed with some encouraging/positive responses from the government.

My first trip is scheduled for the 12th of July. The border is supposed to open again on the 21st of June...we'll see. There are a number of families waiting for houses and a number of people waiting to go to serve. Please pray with me that, that will take place. There are teams communicating with me re trips later in the year. Everyone has the same questions: "Will the border open?" and "Is it safe to go?" All I can say is that we need to hold everything loosely. It's in God's hands and the timing is up to Him...We are learning dependency and trust at a heightened level. This is a season of graduate studies in following the Lord! Please give our love, thanks and appreciation to my NPMB Family. Words are not enough to express our appreciation for your faithfulness and support (physically, spiritually and emotionally.) May the Lord bless you as only He can.

Congratulations to Brandon & Alysha Braun on the birth of your new baby boy! Maddox John Braun was born on June 3, weighing 6lbs 12 oz and 20" long. God bless you as you raise your boys!

There is an update from Al & Marilyn Bailey in the missionary letter holder. Help yourself to a copy.

We are looking for volunteers to mow the church lawns between now and September. Contact the church office or sign up at the Welcome Centre. The church has a lawn mower but unfortunately can not supply gas.
