## **WOMEN OF VALUE EDUCATION AND SUPPORT SOCIETY**

**[www.womenofvalue.ca](http://www.womenofvalue.ca)**

- **Women of Value Education and Support Society** meets a need in lives of girls and women who are suffering the effects of severe Post Traumatic Stress Disorder and Injury due to daily exposure to violence, sexual exploitation and /or human trafficking.
- **Women of Value Education and Support Society** provides services that are NOT available to girls and women anywhere else in British Columbia, which is – access to full time education, long-term safe homes, and wellness treatment for P.T.S.D.
- **Women of Value Education and Support Society** works individually with women and girls overcoming P.T.S.D. due to surviving sexual exploitation, human trafficking and exposure to daily violence.

### **Women of Value focuses care by:**

- Providing open-ended access to resources, advocacy and wellness treatment needed to overcome homelessness, addiction and mental illness.
- Providing full-time, open-ended access to Education including Post Secondary and Trades Certification (Education Centre Capital Campaign opening in September 2020).
- Providing long term (up to 7 years) affordable, supported and secure clean and sober homes (Capital Campaign launching April 2020).
- Providing resources and training necessary for women overcoming P.T.S.D. due to daily exposure to violence, to thrive and secure long-term economic freedom by having the skills and resources needed to sustain meaningful employment (currently provided through community based seminars and 1-1 consultation and referral).
