

The Spirit of St. Stephen's Weekly for July 26 – August 2, 2020

Congregation Council approves causes to be featured monthly. **July Helping Hands** In the Spring of 2015 it came to the church staff's attention that St. Stephen's had no funds available specifically for helping members of our own congregation who might fall into financial hardship of any kind. It was this conversation that led to the establishment of the Helping Hands Fund. Moneys donated to this fund will be dispensed at the discretion of a group of staff, council, and financial leadership representatives, appointed by the Congregational Council, who will assess each special circumstance and evaluate the best use of the funds to assist in the most helpful way possible.

Join us for the Wednesday Eucharist Service held at 12:30PM in the gym to enhance your weekly worship experience and to share God's Word in a unique, shortened, but spiritual time of worship.
Wednesday, July 29th "Love Is Not Irritable Or Resentful"

Graduating Seniors: Next Sunday, we will be recognizing our high school and college seniors that are graduating this year. If you have a graduate in your family, please email Shannon their information (where they are graduating from and their future plans).

A Class for adults will be offered in the gym on Wednesday evenings in July at 6PM. Pastor Pat will be teaching the class titled **Who is this Man? The Unpredictable Impact of the Inescapable Jesus**. This study helps us see how Jesus has impacted the world like no other person in history and why it makes a difference in our everyday life.

Even though we are not together for VBS/FBS, we would like to continue to support Because International's mission - The Shoe that Grows. Over 1.5 billion people suffer from soil transmitted diseases worldwide. Without shoes, children are especially vulnerable to soil-transmitted diseases and parasites that can cause illness and even death. Children who get sick miss school, can't help their families, and suffer needlessly. And since children's feet grow so quickly, they often outgrow donated shoes within a year, leaving them once again exposed to illness and disease. The Shoe that Grows and change that. These shoes expand in 3 places, can grow 5 sizes, and are made from long-lasting materials. With a \$20 donation, you can provide a pair of shoes to a needy child. You aren't just buying them a pair of shoes - you are keeping them healthy, giving them the opportunity to attend school more, and boosting their confidence! You can send a check to the church made out to SSLC (please mark them The Shoe that Grows), give via Givelify or through our website—sslc.org
