

SMALL GROUP APPLICATION

Goal

Identify and discuss Bible verses that we can use to explain the gospel to others

Talk with students about putting into practice the Bible truths discovered in this lesson. Use these **discussion questions** as you lead students to complete one of the activities on the following pages. Conclude the activity with the Life Application Challenge below.

- According to [Matthew 28:18-20](#), what did Jesus say we need to teach, or explain, to others?
- When has someone explained a Bible verse to you?
- Why do you think kids your age might need someone to explain parts of God's Word to them? Why might it be hard for people to understand the Bible?
- What are some ways you can learn more about God's Word?
- What are some things in the Bible kids your age might have questions about?

Life Application Challenge

What is one Bible verse that you want to remember and talk to your friends about? Volunteers respond. **Let's ask God to help us when we talk to others about Jesus.** Invite students to tell prayer requests about people they want to teach about Jesus. Lead students in a brief time of prayer, mentioning their prayer requests.
