**Leadership Board Update:**

The Leadership Board is pleased to announce that Coaldale MB's Relaunch date has been moved to **Sunday August 30 at 10 am**. This is several weeks earlier than we previously communicated with you and is due to a very strong desire to return to in-person services, and strong commitments to follow protocols and to help in whatever way is necessary. All of the above are appreciated and essential to services being meaningful and safe for all involved. We look forward to seeing many of you on August 30. This service will include a welcome for Joe and BJ Martens for his upcoming role as Associate Pastor Intern. A farewell for Daron and Shauna Blenkin and their family and commissioning them for their upcoming work with Overseas Mission Fellowship (OMF) will take place the previous week, August 23, via Zoom. Please join that, starting at 10 am.

Further information about our upcoming relaunch will be provided soon. They will be based on the most recent version of the Alberta Health protocols for Places of Worship, which is attached. A committee is reviewing how we will operationalize these requirements at Coaldale MB. Since it is essential that areas of the church be cleaned well, please contact the church office at 403-345-3636 if you need to or have come into the church in any areas other than the lobby and office area in advance or immediately following your visit. Thank you in advance for your cooperation with this.

- Rita
