

Congregation Council approves causes to be featured monthly. **August: Lutheran Campus Ministry** Lutheran Campus Ministry is a Lutheran ministry for students, faculty, staff, and others on college campuses around the nation, not just a ministry for Lutherans. Its mission is to invite people in academic settings to engage more deeply with the teachings of Jesus Christ and the community that bears his name, so that they can discover and fulfill their vocation as disciples. In South Carolina we have 17 ministry sites that reach out to over 20 different colleges and universities. In recent years funding for Lutheran Campus Ministry has declined substantially and they could use our support to help them continue their important mission.
