*Note: At this time Valley Presbyterian is not taking on new missionaries for monthly financial support. As our budget allows, Valley may be able to make one-time gifts. Normally, applications turned in will be considered by the end of the following month it was received. The Missions Team does not meet during the months of July and December, which may lengthen the decision process. You will be notified by e-mail if funding is available and your application has been approved. This form should be turned in at the church office or e-mailed to: jhollis@valleymadison.com.
