WINTER APPEAL | SEPTEMBER 2020

Dear Friends,

Thank you for your generous response in our last appeal to help Pastor Mike McIntyre and Houston Pentecostal Church in Houston. Together we were able to send \$7,620 to help with replacing the parsonage (manse) roof and its eaves. May God bless you for your ministry.

Our winter project is to assist Pastor Larry Pinchbeck and All Nations Church in Prince George, BC. A list of the church needs include the following:

- Kitchen renovations and upgrades to their wiring system to handle kitchen appliances (cooler, fridges and stove).

- Upgrade of the church sanctuary. With the current global pandemic, they would like to renovate the sanctuary space to maintain social distancing.
- Reconfigure and renovate existing rooms and flooring to maximize space.

May God bless you as you consider to be a part of improving the Lord's house in Prince George. Thank you immensely for your heart of generosity.

In His Service,

Darwin Pichette, Assistant District Superintendent for Operations

WHO WE ARE

This program assists smaller and pioneer assemblies with the purchase of property and the construction or renovating of church buildings. It is a creative plan that allows us the privilege of investing and having a share in God's work in many communities without actually living there.

Since 1957, we have raised over \$1.4 million through the generosity of our churches and individuals donors. This generous support has enabled our churches to accomplish many necessary capital improvement projects. We invite you to participate with us in God's Kingdom.

HOW IT WORKS

As part of the Ministry Investors Group, you will receive up to 3 appeals a year, each time with an explanation of the need. In response you are requested to send a donation of \$10 or more. This amount does not purchase much today, but put together, these gifts achieve major positive results. Please consider joining today. Investing in God's work on earth pays eternal dividends. Be a wise investor!

Projects are chosen based upon the following criteria:

- Applications are correctly filled out and received by the assigned date.
- Churches/Leaders requesting assistance are willing to promote the project to their local congregation.
- Churches/ministries requesting assistance have shown adequate tenacity in fundraising for the project.
- The project meets the program's requirements as outlines in the application form.

SINCE 1957
we have raised over
\$1.48 MILLION
through **YOUR** generosity
THANK YOU!

3 times per year, an individual will be asked to give \$10 or more.

That single investment, joined with similar investments, will raise thousands of dollars.

These "small investments" go a long way in helping churches across our district.
