

LHC Outdoor Service Directions & Guidelines

Thank you for joining us for our drive-in/outdoor service. We appreciate you being patient with us as we navigate these uncharted times.

- Drive in to the end of the 1st church building, where you will be greeted and directed where to park.
- If you would like to stay in your car, let us know so we can direct you to parking where you will be able to see. Tune your radio to **87.9FM** to hear the service through your speakers.
- If you would like to sit on the grass in a socially distanced designated area, please bring your own chairs/blankets and a volunteer will show you where to go when you arrive.
- You are welcome to bring umbrellas and pop-up tents to help keep cool and out of the sun.
- An outdoor, socially distant children's class is available on Sunday mornings for children age three through 5th grade. This optional class includes a brief lesson and activity. Children should stay with parents until the end of announcements, and then they will be dismissed to class.
- The bathrooms in the gym will be available. Please maintain social distancing and limit two people in the bathrooms at a time.
- An offering box has been installed outdoors. It is affixed to a light pole on the right side of the grass as you are looking at the speakers.

We look forward to seeing you Sunday!
