

# GOD'S SON CHANGES EVERYTHING

STUDY GUIDE for September 27, 2020

## 1. FALSE IDEAS

a. Paul used to have false ideas about who Jesus was, and what God wanted from him. Ask God to reveal to you any false ideas you might have about Him that are not true. What are they?

What true ideas about Jesus and God might you be struggling with?

Pray and ask God right now to replace those false ideas - which are actually lies - with the truth.

b. Paul also had false ideas about other people. What false ideas might you have about other people?

Pray and ask God right now to replace those false ideas with the truth

c. What false ideas about yourself might you be believing? Perhaps you think too much of yourself; or perhaps you think too little of yourself. Ask God to reveal to you what He thinks about you.

Thank God for exchanging the false ideas you had about yourself with the truth.

## 2. DIVINE EXCHANGE

a. Think of a hard situation you are experiencing right now. Ask God to redeem it - to take it and bring something good out of it.

b. Think of a situation from your past that still affects you in a negative way today. Either something that happened to you, or something you did that you feel bad about. Release it to God. Ask Him to redeem it. Ask Him to show you how you should feel about it.

## 3. GOD'S WORD TO GIVE YOU STRENGTH

Look up the following scriptures about God's presence with you (and write them down).

a. Joshua 1:9

c. Matthew 28:20b

b. Isaiah 41:10

d. John 16:33

How do you feel knowing that God has commanded you to be strong and courageous, that He is always with you and will give you strength; and that Jesus gives you His peace in this troubled world?

Chooses the scripture that speaks to you the most, and commit to memorizing it to give you strength.
