The Lord's Supper

Church Family,

We had a wonderful time last week celebrating our 72nd annual Church Homecoming. The atmosphere in our worship service was joyful and celebratory. All of the music was wonderful and uplifting. Chaplain Ashley Tyree did a great job bringing God's Word to us. Our picnic last Sunday night was also a great success. We had a ton of fun. What a joy to belong to a thriving church family.

I'm excited to start a new and unique series of sermons this morning. I'll be preaching through the seven miracles of Jesus recorded in the Gospel of John. In John 20:30-31 we read that "Jesus did many other signs in the presence of the disciples, which are not written in this book; but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name." Out of the many miracles Jesus performed, John selected seven to include in his gospel for the stated purpose of helping people to believe in Jesus. These miracles begin with Jesus turning water into wine (John 2) and conclude with Jesus raising Lazarus from the dead (John 11). We're going to be looking at these miracles in order to see the glory of Christ and further place our faith in him.

This morning we're also going to observe the Lord's Supper. It is always a very special and reverent time. For COVID-related precautionary purposes we will be using the pre-filled communion cups that contain both a small wafer and a portion of grape juice. Please make sure to pick up a cup before you enter the Sanctuary. The cups will be placed on tables in our foyers near each of the main entrances to our Sanctuary.

May God bless us with a wonderful Lord's Day!
