OCTOBER, 2020

Dear Friends at Westminster Bible Chapel,

It is hard to believe it is fall and we are approaching the end of the year. Despite the strange times we have been living in, the weeks and months have gone by quickly. At the same time, every day we ask the Lord to help us to find and to know His plan and purpose for our life and to live accordingly. So much has been taken away from us, there is so much we can't do now, so many places we can't go, people we can't see. We are learning to be creative and to try to spend our time as wisely as possible. I am sure I am not saying anything that you have not experienced yourself.

It has been wonderful to be able to enjoy in-church services these past 2 months and we average about 30 at Cascades. Many can't come for various reasons but we continue to have an online service. Ron preaches most Sundays whether by Zoom or physically in a couple of the assemblies. This month he will be speaking on Zoom to a church in Argentina which he is quite excited about. Our Ladies Bible Study is starting up again and we will meet in the church but with all the protocol that is necessary at this time. It will be good to be back together again.

Our family is well and we look forward to having Thanksgiving dinner together. More than ever we have so much to be thankful for and we want to count and concentrate on our blessings, not on our losses. Compared to other places and to other people, things are going well for us here in B.C. Joel and María in Argentina have had more times of lockdown and restrictions than we have. The girls have not been to school all year and their year will end in a couple of months.

We do not know yet if we will be able to go to Argentina this next year as we usually do and have been doing for over 20 years now. There are many factors to consider. We want to be wise, we want to keep safe, we want to make sure we can be useful and still have some ministry there. Whatever happens, we are sure it would look different from other years. At this point in time we do not even know if the borders will be open, if there will be flights. We are trusting the Lord to lead and guide us, to show us what we should do. Please pray with us about this important decision.

As faithful supporters and prayer warriors on our behalf, we hope and pray that you are well and have been keeping safe. We thank you again for the kindness shown to us through your gifts and ask the Lord to bless you accordingly. He sees and know everything and will not forget the great help you are to us and to others. May you enjoy a wonderful and blessed Thanksgiving season.

Love in Him,

Ron and Gloria Edgecombe
