Donations for Fire Victims

For the months of July & August our "Together in Outreach" efforts will be directed to the families who have lost everything in the house fire. Please mark donation "house fire" and we will ensure that the money is forwarded to the families in need. At this time cash donations are all we are accepting.

Congratulations Squamish United and St. John Anglican!

So far together we raised \$350 to help the families who lost everything in the house fire of June 28th.

A reminder from St. John Anglican Church

Both the **Thursday evening discussion group** and the **Craft Group** are taking a break for the summer. Both groups will gather again in the fall.

Stewardship Visitations

Visiting has begun by the visitation teams. Thank you for having us! We have visited a number of homes this week and we look forward to visiting with more of you as the summer weeks progress. One of the goals of the board is to have an every member visitation this summer. We hope to receive feedback from you the congregation with respect to what SUC means to each of you, your hopes, dreams, your thoughts on programming, and what kind of a commitment you wish to make to SUC in terms of time, talents and giving's. We have been in our new sanctuary for 9 months and our focus is now moving from the building phase to **supporting and living out God's mission**. A team of 2 will be calling on you soon to see if they can come for a short visit and a chat.
