

Joyful Giving relay completion

By Kevin Chung

On Nov 4 we reached the official end for the Joyful Giving relay!

A hearty thank, you to our relay team members and captains. Even though it was the first time we've done the relay, through your cooperation, effort and grace, over 90% of our church families participated in the relay over the last 3 weeks. A special note of appreciation for our team captains... I have heard reports about creative and extraordinary efforts to keep the packages moving.

By completing our Intention Cards and Time & Talent forms, we have shown our commitment to our church home. We look forward to blessing all the returned packages on Commitment Sunday. Given the confidential financial nature of the Intention Cards, these will be processed by the Corporation. The Time & Talent sheets will be viewed by the stewardship team, who will connect the volunteers with the appropriate ministry leaders.

We understand that there are some Intention Cards and Time & Talent forms that are still outstanding. If you have these forms, please return them to church by dropping it into the offering plate or submitting it to the office. Also, if you still haven't received your envelope containing the rector's letter and forms and wish to show your support and commitment to St. Tim's, please speak to a Warden or contact the office.
