

## INVITATION

August 27th  
1.45-4pm

Dear friends in Christ,

Richard and Elaina have been discussing the status of Pastoral Care in the parish. Noreen Davies has served faithfully in this ministry, but is no longer able to give leadership to it. There is a need for us to gather and have a conversation to discover the pastoral needs which are currently being met by various people in a variety of ways, where the gaps are, how we might expand our vision and practice of pastoral care and discern a possible new direction for the future. You are invited to gather with us and share your information, experience and suggestions. Your presence is requested, but it is not expected that you will be committing yourself to ongoing involvement in this ministry at this point. We hope you are able to come on the 27th.
