SANCTUARY USE

If your event is in the sanctuary, WELCA will need to approve your use of the sanctuary and will then appoint a 'church host' for your event who will:

Work the sound system and make sure candles and paraments are appropriate.

Facilitate any other building use needs as determined by the event.

Provide guidance as needed depending on your event.

We ask that you please leave the space as clean as you find it.

If you are leaving flowers for church use in honor of your event—please leave them in the sanctuary— the Altar Guild will take care of them for you.

Pastoral supply and music/musician fees are your responsibility. You will need to make those arrangements on your own.

Fees do not include printing for your event; please make arrangements accordingly.

KITCHEN/FELLOWSHIP HALL USE:

(When not purchasing meal by WELCA)

If you are using these areas, please be aware that you need to provide your own beverages as well as paper products.

You are welcome to use the dishes/cooking utensils.

Please be sure to leave used dish clothes in the basket in the kitchen near the sink.

Please pick up the area and return chairs and tables to their places. Please be sure to bag up garbage and place outside in the trash bin.

There is a recycling bin by the back door near the utility sink.

Please make sure thermostats are set as you found them.
