Who we are:

Our Vision: We exist to see every person making disciples. As a church we want to align our priorities with Jesus' priorities. We believe a follower of Jesus is alive, grounded, authentic, enabled, together, and engaged.

Our Values: Gospel-centred, transformation, discipleship, community and generosity.

Our focus areas:

- **Personal change.** We see God work from the inside out. We want to see corporate transformation and that begins with personal change. Our authority and identity are rooted in Christ and we surrender to his lead. As we surrender our lives our changed. We desire this for ourselves first. We are focused on our identity in God and embrace the change this will bring.
- **Seamless life.** There is no separation between sacred and secular. Our lives throughout our week reflect our faith. We go into the world and our everyday lives with the gospel. The gospel is part of our life when we are not with church family or at a church event. We focus on opening all areas of our lives to the gospel.
- **Outreach.** We are many generations, many cultures, and one family. We believe in the gospel and in community. We want initiatives we can do together that are simple, church wide, and include the gospel. We focus on sharing God's love with others.
