

Your health and well-being while you are at the Sorrento Centre:

Arrival: All guests check in at the front office in Spes Bona. Please observe physical distancing rules. Please be prepared for questions to assess your health status and your family / group.

Physical distancing: Please observe rules about physical distancing on our campus and farm. There are signs and markers posted throughout, including markers on the floor / ground to assist you. *Please do not move picnic tables, chairs, benches or other furniture.*

Hand-washing: Please regularly and frequently wash your hands throughout the day, especially at meal times and after using the toilet. Hand sanitizer stations are located throughout the campus and farm. Avoid touching your face. Proper gloves are mandatory for certain staff (including kitchen and housekeeping).

Respiratory hygiene: Please sneeze or cough into your elbow. There are signs throughout our campus with examples of proper respiratory hygiene. Avoid touching your face.

Facemasks: Facemasks can be worn to help protect those around you and should be worn by people who are sick. Face masks are not considered mandatory by public health officials, but they will be available to all staff and worn at their discretion. A supply of facemasks will be available in the office for purchase by guests.

Questions? Concerns? The Sorrento Centre is committed to the health and well-being of our guests, staff and neighbours. We meet or exceed WorkSafeBC and public health requirements. Our detailed plan is called 'safe, slow, small'. For more info:
