

Framework for New Ministry Initiatives

Our Okotoks United Church mission statement is:

“With God’s help we are following Jesus, reaching people, and changing lives”

We try to live out the “evangel” or gospel of Christ through ministry in the following areas:

Worship and Music

Christian Education/Christian Development

Health and Healing

Fellowship (programs that build our Okotoks United Church community)

Social Outreach (programs that help those in need)

Social Justice (programs that look at underlying social issues and work for change)

Briefly describe your vision for a new ministry at Okotoks United Church. Do you see this as a one-time ministry event or an ongoing ministry?

Where does your vision for new ministry fit in the categories above?

How does your vision for new ministry help us follow Jesus, reach people, and change lives?

What do you need to do to bring this ministry to life?

What help do you need from the Ministry Board? Are there staff requirements? Financial requirements? Building use requirements? Safety and security needs to be addressed?

How will you evaluate this new ministry’s progress in terms of meeting its vision and mission?

Please complete this form and submit it to the Ministry Board.
