

PAR participation

- Almost **30% of our households will use PAR** in 2019. This a 70% increase versus the start of 2018.
- **Offerings via PAR** in 2019 is **53% of the pledged offerings**.
- Members who give by PAR tend to give more and increase their offerings regularly. According to our diocesan coaches, **50% participation in PAR** will enable us to achieve **sustainable and growing offerings**.
