

## LFC Kids Fall Relaunch Plan

### Virtual LFC Kids

**Launch Date:** September 6th, 2020

#### Weekly Challenges

- Beginning in September, Weekly Family Challenges will be provided for families via the website and the LFC Facebook Group.
- Challenges will provide students and their parents with the opportunity to dig into some Bible stories, play games together, complete “socially distant service projects”, etc.
- Weekly Challenges will be designed to have a small activity (about 10-15 minutes) that children can do each night.
- Each challenge that a family completes will earn them points. When families reach 5000 points they will receive a prize.
- **These challenges are open to all families, not just those who are doing church virtually.**

#### Virtual Bible Lesson

- A link to a Bible Story Video accompanied by an activity sheet will be posted weekly on the Leduc Fellowship Church Website under “LFC Kids” and in the LFC Facebook Group.
- Virtual lessons in September will be created by Rebecca until we launch our “What’s in the Bible?” curriculum in October.

## Safety Procedures

### COVID-19 Screening Questionnaire

- All individuals entering the LFC Kids Min area will be required to complete the COVID 19 Screening Questionnaire created by the Government of Alberta.
- If a volunteer answers “yes” to any of the questions, they will not be allowed to volunteer.
- Volunteers will ask parents the Screening Questions at Check-In. If a child in the family answers “yes” to any of the questions, the family will not be able to enter the LFC Kids Min area.
- Families will be encouraged to answer the Screening Questions BEFORE leaving the house for church.

### Masks

- All volunteers will be required to wear a mask.
- Volunteers will be asked to wear a stick on name tag.
- All volunteers working in Kids Min will be required to have a photo taken of them with a mask on and without a mask prior to volunteering. These photos will be posted in the rooms that the volunteer is working in to assist students in recognizing their leaders.
- At this time, we will be following the masking guidelines for schools created by the Government of Alberta. Therefore, students in Grades 4-12 will be required to wear a mask if they’re entering the Kids Min Area. **The decision to mask children Age 3 to Grade 3 will be up to the parent. *\*This policy is subject to change as statistics and government guidelines change.\****

### Check-In/Check-Out

- Floor Markers will be laid out to assist families in Social Distancing while waiting to Check-In/Out.
- In order to minimize traffic in the hallways, parents will NOT be allowed past the Check-In counter. A volunteer will walk the children to and from their classrooms.
- Parents will show a volunteer their Check-Out sticker and a volunteer will bring their children up to the Check-In Counter at the end of service.

### **Personal Belongings**

- Volunteers and children will not be allowed to bring personal belongings into the classrooms. All teaching materials will be sanitized and placed in the classrooms prior to the service beginning.

- We have purchased the "What's in the Bible" Curriculum, which is a video based curriculum with games and activities provided within the Leader Guides. Due to COVID, they are providing us with a link and a password to share with parents who are doing Virtual Church, so that they can benefit from the curriculum as well.
