Supporting Mission Efforts In:

Africa, Auburn-Tuskegee,
 Chattanooga, Europe, Knoxville

In Joshua 14, Caleb makes this, oft-quoted statement, "So here I am today, eighty-five years old! I am still as strong today as the day Moses sent me out; I'm just as vigorous to go out to battle now as I was then. Now give me this hill country that the Lord promised me that day."

Even in our senior stage of life, many have demonstrated Caleb's attitude. Inspired by that reality, a little over a month ago,

four of us started transforming an idea, a senior ministry at North River, into a reality. After much prayer, advice from leaders at North River, and consulting with other Southeast churches, it became evident that a ministry focused on the unique needs and talents of seniors at North River was needed. Each ministry within North River is designed to take advantage of the unique talents of that ministry and to develop activities that meet both physical and spiritual needs of the life stage. While this ministry is designed for seniors, anyone who can benefit from involvement in the program is invited to take part. The new life-stage ministry is in no way a substitute for Community activities; it will merely complement those activities and relationships.

When we made Jesus Lord and received the indwelling of the Holy Spirit at our baptism, we all had dreams of changing the world so that God would be glorified. Whether you are a teen, campus, single, young married, or a senior, that dream is still implanted into our hearts. We want to foster this spirited attitude in three areas. First, Joel wrote this, "And afterward, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions." We want to rekindle those dreams into reality, not just dreams of the past, but dreams for the future. We want to become effective ambassadors of Christ in our advanced years to all generations. Each week, during the current restrictions and after restrictions are lifted, we will have spiritual lessons uniquely designed for our life stage to rekindle those dreams into reality. Not only will we be sensitive to spiritual needs, but we will also create a connection to meet each other's physical needs as well. When COVID-19 restrictions are lifted, we plan to have lunches after our daytime midweeks to help develop deeper relationships among our peers.

Second, the Psalmist wrote in Psalm 92:12-15, "The righteous will flourish like a palm tree, they will grow like a cedar of Lebanon; planted in the house of the Lord, they will flourish in the courts of our God. They will still bear fruit in old age, they will stay fresh and green, proclaiming, 'The Lord is upright; he is my Rock, and there is no wickedness in him.'" We plan to provide avenues to connect with younger generations so we can share real-life experiences of how the Holy Spirit has and continues to produce fruit in our lives. We want the younger generations to hear about and to see, not just perceive, the fruit of God's spirit working through our lives, both in the past and the present.

And finally, we want to highlight the "one another" Scriptures by providing opportunities to serve the North River family and those in our communities. In addition to acts of service, we want to provide various fun activities based on the group's interests.

So, here is the schedule for SALT: This week, the rollout of **SALT** will be in the form of a 5-minute video (check out the video link -

<https://drive.google.com/file/d/1haSrZLIE4EbhJ4u65rNIR3Gw4jw4W54d/view?usp=sharing>) and a survey (link -

<https://www.surveymonkey.com/r/PPF5FVR>) to collect data on individual interests and needs. A Zoom Q&A meeting is planned for Thursday evening, Sept 3. Our actual first Senior Ministry virtual meeting will be Thursday evening, Sept. 17. If you have any questions, want to attend the Zoom Q&A, or have comments, please email the Senior Ministry at northriversalt@gmail.com. Please pass this information along to anyone who might have an interest and pray that God will be glorified through our efforts.

Let Us Pray...

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved. — 1 Timothy 2:1-4a

Prayer Requests

"Pray in the spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere." - Ephesians 6:18

For specific prayers requests during this time of "social distancing and racial injustice," please email PRAYERS@NRCOC.COM.

- David and Tobi Hedrick (with the Chattanooga Church) request prayers for their 19-year-old nephew, Ethan Norman. He broke his neck in a swimming accident and is being treated at the Shepherd Center in Atlanta.
- Judith Hicks cousin, April Boller who visited NR while she was here for cancer treatment, died last Friday, August 7. She was listed as cancer-free after her last round of treatment and, within a month of finding new cancer in her lungs, died. Please pray for her husband, Leo, and her children, Johnathan and Bailey.
- Please pray for Aaron Boss to find a job.
- Please pray for Sammie and Jeffrey Lane. Jeffrey had blood tests on Monday, pray that his PSA levels will remain low. Sammie has surgery next Friday. Please pray that it goes well and her recovery is quick and pain is minimal. Thank you.
- Please pray for Sharon Martin, the wife of Byron Martin and mother of Nikki Martin. Sharon was admitted to the hospital on Wednesday for Gastroenteritis. She has been in and out of the hospital with very serious pain for the last couple of weeks. They transferred her to the ICU on Thursday morning. Byron was baptized in January 2019 at North River and is part of the NW Community. Nikki is a disciple in the Campus Ministry at North River. Please pray for the entire family and for Sharon's complete recovery.
- Please pray for Steve Barber. He is still testing positive for COVID-19 and has been very sick. He also has underlying conditions, including issues with his pancreas. The treatment for his pancreas has been postponed until he is virus-free. Please pray that he will be healthy enough to see the specialist for his pancreas and begin treatment. Please continue to pray for his wife, Patti, who was also positive for COVID-19. She is recovering. Their son, Max (who is in the Campus Ministry) and their grandson, Lucas, have also had the virus.

Sunday Series - The Kingdom of God

This month we are excited to be exploring this biblical teaching. What is the Kingdom of God? Is the Kingdom of God the same as the church? How does one enter the Kingdom, and what does it mean to live as members of it? In a world so divided along earthly kingdom lines and barriers, we need the good news of God's Kingdom now more than ever!

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work." 2 Corinthians 9: 7-8

Register for AIM Classes: Spiritual Life (July 26, 2020 - September 30, 2020)

The Bible places far more emphasis on who we are inside than how we behave or appear to others. We have all seen too many comrades-in-arms fall, not rebounding but remaining fallen due to a weak walk with the Lord, while others continue to go forward to do great things despite formidable obstacles. The course covers character, sexual issues, financial responsibility (guest speaker), and so much more. The secret of Jesus' disciple: the inner spiritual life.

[Click here to register now.](#)

The class is now open through September 30.

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

VISION
WORLD DISCIPLESHIP SUMMIT

POSTPONED TO
SUMMER OF 2022

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference. Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less

demand on the hotels, nearby restaurants, public flow within our venues, and an overall reduction of our mass gatherings at any one time:

NEW DATES FOR THE 2022 WORLD DISCIPLESHIP SUMMIT:

- JULY 28-31 ICMC: (Campus) and ISC (Singles)
- JULY 31-AUG. 3 ILC: (International Leadership Conference)
- AUG. 4-7 FAMILY: (Parents, Single Parents, Kids, Middle & High Schoolers)
FOREVER FAITHFUL: (Empty Nesters, Marrieds w/o Kids, Retirees)
SPANISH Conference

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

Fix Your Eyes On Jesus

**2020
VISION**

This year's theme at North River is "Fix Your Eyes on Jesus" from Hebrews 12:2. This is especially important for us to do in uncertain times. We started the year studying the entire book of Hebrews, and going forward, we will continue to focus on Jesus more and more. For ways to get more insight, check out the North River [Sermons](#) or [Women's Page](#) for more resources.

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the [Outdoors](#) column (if the event you are considering attending will be outdoors) or the [Indoors](#) column (if the event is indoors). Find the rows in the [Number of People](#) column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the [Mask](#) column) and whether or not everyone is social distancing (YES in the [Social Distancing](#) column). The level of risk varies depending on each of these factors.

We have a Podcast!

We will be posting audio content each week with our Sunday sermons going live every Monday morning. In the show notes for the sermons, you'll find study/discussion questions for you and/or your small group! We've also started a devotional program called "Manna in a Minute," with short 1-2 minute devotionals going out multiple times a week. These are designed to help us focus our hearts and minds as we go about our busy week. In addition to this, we are designing additional programming to incorporate into our podcast platform in the coming weeks and months. You can find "North River Podcast" wherever you get your podcasts. Please subscribe and check back regularly!

* Potential Level of Risk 0 - no risk 1 - very low risk 2 - low risk 3 - moderate risk 4 - high risk 5+ - very high risk

Potential Risk Calculator	Virtual	0 Point
	Not virtual - face to face	Add 1 Point
	Indoors > 5 people or Outdoors > 10 people	Add 1 Point
	Not wearing masks	Add 1 Point
	Not social distanced	Add 1 Point
	Older, Immune Compromised, Chronic Diseases	Add 1 Point

* Number of People CDC recommendations: Indoors group of 5 or less people, Outdoors group of 10 or less people

* Mask Remember: Masks are helpful to keep you from spreading coronavirus to others, they do not keep you from getting an infection.

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

Current Thoughts **Transmission** Up to 40% of people can be contagious before they have symptoms
 Transmission 35% of people infected will never have symptoms
 Social distancing Without social distancing it was estimated that the USA would have had 35 times the number of deaths
 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
