## **Clara's Corner +**

With the turning back of the clocks last weekend, we were reminded that Fall has truly arrived and the shortening of each day points us towards the season of Advent. One would think that with the onset of winter we would be inclined to hunker down until spring. Instead there is a flurry of activity happening behind the scenes on all fronts. Of course, I'm thinking of the preparations for the 40th Anniversary edition of our Christmas Marketplace happening on November 30th. If you haven't experienced our Christmas Marketplace – you are in for a treat!

While the hard work and contributions of many of you are deeply appreciated, I am also excited for what these kinds of events represent. Yes, the Marketplace and the recent Black and White Dinner are important ways of raising much needed funds, they are also important opportunities for connecting with each other and the community of Nanaimo. Every single time we come together, whether that is formally in worship, at various functions, community lunches, or at parish pot lucks: they are a time for us to build relationships. And isn't that what we are all about? A community where strangers become friends.

I think of the hundreds upon hundreds of people who come through the doors of St. Paul's for all kinds of reasons. Every single one of these moments

is an opportunity to befriend and grow our relationships with others. It means that we need to see ourselves as ambassadors for Christ; ambassadors for what this parish is all about. The vision of creating a wonderful space that would allow us to grow our ministry and service while partnering with other service groups is already being realized. I'm excited to see how God will use us as a parish family to share the love of Christ to those we encounter. I hope you will invite friends and neighbours to any or all events that happen at St. Paul's! It is one of the best ways of introducing people to our incredible community!

Blessings to each of you! Know that I am humbled and amazed at your incredible commitment to our life together in Christ. You are in my prayers always!

## THE WARDENS' CORNER

We have experienced our fair share of joys and challenges over the past few weeks and months. High on the list of joys was the elegant and successful Black and White dinner held on the 4<sup>th</sup> of October. Mayor, Leonard Krog, attended the event and spoke eloquently of the deep respect and value in which the city holds St. Paul's Church in the manner and scope in which it reaches out to those in need around us. The event itself was primarily to raise funds to offset the amount owing on our new building, and in this regard the evening was a huge success raising over \$10,000 after expenses. Very many people were involved in making this event such a memorable and enjoyable evening, and a profound vote of thanks to all involved.

However, this event, and our recent extra-ordinary vestry meeting, underscores the financial challenges that we face. It needs to be said that our new building represents an astonishing achievement in vision, planning, and fund-raising to bring it about. However, we are left with a last, and not insignificant, hurdle to clear, as well as addressing the reality of affording the additional expenses that the new building places upon us.

We are delighted that a new Music Team has been hired (see article elsewhere in this issue). We thank Kyle McLaughlin and Bonnie Culp for so ably filling in during the hiring process.

Sadly, our Office Administrator, Michele Hayes, has had to be away from work for a number of weeks. This has placed an obvious stress on the day-to-day administrative functioning of the parish. Your patience and understanding are deeply appreciated, especially when things do not quite function as expected, or as they have in the past. We owe Sue Gueulette (yet again), Alicia, and Clara much and deep-felt thanks for filling the gaps, and keeping us administratively afloat.

A number of weekends ago the trees were pruned on the property, the cost of which was covered by a generous donation from two parishioners. A key to the pantry is now hidden away in the kitchen to

allow those who need it easy access in an attempt to keep supplies stored in the pantry under greater control. The computer tower in the main office has been on electronic life support for far longer than any reasonable expectancy, and with some reluctance on the basis of the necessary expense, it will be replaced in the near future.

### ***A NOTE FROM STEWARDSHIP.....***

Under the *better late than never* column, I would like to thank all those who gave of their time during the months of July and August to keep our church open for visitors and those in need of quiet time, between the hours of Noon and 3 pm. Out of a possible 43 days, we had volunteers for 37 of them and welcomed close to 50 visitors. Thank you all for your help. And remember, stewardship is what we do, when we say that we believe.

- Marjorie I. Adams.

### **Have you always wanted to put MEMORIAL FLOWERS ON THE ALTAR, but not been able to get a date?**

Here is your opportunity! The following dates are available for 2020:

### ***ECP***

And what is ECP, you may ask. It stands for Electronic Collection Plate, and is an alternate way of making your offering. The advantage is that, even if you are away, the church will still receive your offering - it helps to *smooth out* our income. The Diocese provides the service free of charge, so if you are interested, please contact the office.

## News from The Prayer Shawl Ministry

On behalf of the Prayer Shawl Ministry, I would like to thank all of you for your heart-warming cards and letters. Here is a thank you note from one of our recipients:

*Dear Ladies in the Prayer Shawl Ministry,  
Thank you for your thoughtful prayerful gift of a shawl on the occasion of my graduation from EFM (Education for Ministry) in May. It was most appropriate to receive your prayerful intentions as I stepped forward, seeking to ascertain what my ministry in the world should be. For the next year, part of it at least, is to co-mentor another class of EFM. I will need the comfort of the shawl, as I do not feel ready. Thank you.*

- Catherine Whitley

I would like to give special thanks to Carol Shaw, Sandra Robinson, Donna Lee Criss, Blanche Gates, Shirley Strong, Christine Appleton, Patricia Sheen, Wendy Banta and Maggie Stone. These women take their time and talent to make our ministry continue to be creative. Without them, this ministry would not exist.

Even if you have never knitted or crocheted before, and would like to learn, here is your opportunity. The Prayer Shawl Ministry meets to pray, share, knit or crochet on the first and third Thursdays of each month from 1 - 3 pm in the St. Luke Room. All are welcome. If you have any questions, please contact me at 250-754-8614.

### **How about joining Faith, Family & Fellowship?**

Our team, along with members of the ACW and others were the 'behind the scenes' people for the two day We Together Conference in late September. This was a regional Diocesan conference that was located at St. Paul's this year. Many thanks to all the volunteers for assisting with this successful event, and in particular, Marilyn Browning, who lent her imaginative and creative ideas to this Anglican island-wide event.

Instead of an October harvest potluck, this year our committee served yummy pies to members of both Sunday services at coffee time. We were also joined by our dog and cat friends who had been blessed at the services, in honour of St. Francis.

On Remembrance Day, we will be helped by some church and community members in serving hot dogs and hot chocolate to the many young people participating in the parade and memorial service.

Watch for notices about the Christmas potluck to be held on Sunday, December 15th prior to the evening's Lessons and Carols service.

New members are always welcome. The spirit of friendship is alive and well through our St. Paul's family!

- Sue McDonald, chairperson

<b>Balance (deficit)</b>	<b>\$ ( 56,671.64)</b>

We passed the budget for 2019 in February. Our Open and Envelope offerings are actually over budget at the end of September by \$9,950.50. We ended the month with a `profit` of \$2,611.90 before bringing forward the accumulated deficit of \$59,283.54. Part of that deficit is accumulated (\$36,103.61) from the last 3 years. We passed a balanced budget for 2019. Our deficit for the year is \$20,000.00 at this point. I would be ecstatic if we could balance the books for 2019 and worry about the old deficit later!

Full copies of the Financial Statements may be found on the bulletin boards in the Narthex and hall. If you have any questions, I will do my best to answer them. I can be reached by calling the Church Office (250-753-2523).

To be considered for the Maclean's list, charities must be listed in the Charity Intelligence report and must have at least \$2 million in annual revenue.

“PWRDF staff work extremely hard with our 35 implementing partners around the world to ensure transparency and financial accountability, and to share results with Anglicans and other donors in a meaningful way. We are grateful to our network of dedicated volunteers who further spread the word,” says Will Postma, Executive Director of PWRDF. PWRDF scored a final grade of 92.5%. ### OUR GARDENERS ARE HARD AT WORK!

The Gardens are ending the year on an “up” note because of the additional rainfall experienced this summer. The drought was not as persistent as it was in 2018 and 2017. We added irrigation containers around the most vulnerable shrubs and moved shrubs to different locations with more access to regular watering. You may have noticed a transition away from “seasonal plantings” to perennial plants that are drought resistant and less maintenance. Even with the plant changes, the gardens require regular care and grooming to pick up garbage and containers that are part of life in an inner city. Over the year, “found” returnable containers are rinsed and donated at Return It, with the proceeds being credited to the St. Paul’s Account. Organic yard waste is largely commercially composted (at no cost to St. Paul’s).

The professional pruning of the large trees (oak, hawthorn and dogwood) took place on October 12th. The parking lot was closed for safety because pruning these trees requires a work-crew of five arborists and a bucket truck. The cost of the extensive pruning was paid by two parishioners. The smaller pruning (shrubs, holly and roses) takes place throughout the fall and winter seasons and is nearly complete.

If anyone would like to spare a few hours for some light work in the Gardens, please give me (Lee) a call at 250-714-2969. I (Lee) will be reducing the hours that I volunteer in the Gardens gradually over the winter and spring. The low season would be a

good time to become familiar with the plants and their cultivation. Drop-ins are welcome at any time!

## MUSIC TEAM HIRED!!!

Please join us in welcoming our new Music Director and our new Organist/Accompanist to St. Paul’s. They will start their contract positions on November 14th.

We are delighted to welcome **Charles Harman** as our Music Director who will be in the primary role of overseeing our Music Ministry and Choir. Charles is well-known in our parish as he is a member of our parish and has been actively involved in our Choir/Music ministry. Charles is a trained Choral/Vocal Specialist and Conductor. He received his B.Mus.Ed at Lewis Clark College in Portland, Oregon and completed an Orchestral Conducting Instructor course at The Juilliard School in New York City. He has taught drama, vocal and music at secondary schools, and has conducted and led various choirs. He is also actively involved in the theatre world both on stage and behind the scenes.

We also welcome organist **Freeman Dryden** who is currently hailing from Ladysmith. Most recently he was part of a music ministry team at Ladysmith First United Church. He has served as both organist and choir director in numerous places across Canada including various Anglican parishes, Presbyterian, Lutheran, Baptist and United Churches in Nova Scotia, Montreal and Vancouver. He has a passion for beautiful organs and was involved in an organ rescue project in Nova Scotia. He is delighted to be returning to an Anglican choral worship environment.

## *Remembrance Day Reflection*

In a passage in Luke, Jesus has been cornered again by a group of the Sadducees, the Pharisees. The Sadducees did not believe that there would in the end be a resurrection of the faithful departed. So they particularly liked questions that would prove their opinions. They come to Jesus in this reading, so they give him a real brain teaser about one woman, seven husbands, and just whose wife she will be in the resurrection. The woman in the story was passed through an entire family of brothers! But as is typical for Jesus, He sets them straight, so skilfully that we are told our God is the God of the living as Jesus said, "Now he is not the God of the dead, but of the living; for to him all of them are alive."

For many, the scars left by war were too deep, their spirits too wounded ever to fully recover. Even if soldiers survived the battlefield, a war in their souls still raged on the home front. Getting their lives back together and facing the future with hope and confidence was and is often difficult and painful. For many they gave up on life, because life came with too much pain attached to it.

Life can do that sometimes, can't it, come with a serving of pain that is often hard to bear... There are just some things that we cannot explain, some things that simply do not make any sense. In another well-known passage we hear the story of Jesus at the graveside of his good friend Lazarus. Lazarus' family was struggling in the grief and despair of the moment as they mourned Lazarus' passing. As Jesus comes to this family, he is so deeply moved by the sadness of the situation that he could only have one response: Jesus wept. Those tears said it all as in Christ we see a God who weeps with us in our darkest hours.

Today, as we gather, we remember. We remember God's favour to us in our time of need. We remember the courage, devotion to duty, and the self-sacrifice of the men and women in our Armed Forces. We remember those who were wounded in the fight; those who perished in the field of battle, and are buried at sea or in some corner of a foreign land; and especially we remember those who we have known and loved, whose place is forever in

our hearts. We remember also those whose lives still bear the scars of war; those who lost sight or limbs, reason, or heart as well as those who lost faith in God and hope in humanity.

- Gordon Youngman

### NOTICE OF ANNUAL GENERAL MEETING

**The Annual General Meeting of St. Paul's Altar Guild will be held in the St. Matthew Room on Saturday, November 23 at 11:00 am.** There will be a review of the past year, and Election of Officers for 2020. The meeting will be followed by a pot-luck lunch. All members are urged to attend, and if you wondered what being in the Guild involves, please feel free to come along.

## SPECIAL VESTRY MEETING OCTOBER 27, 2019

Fifty-seven members of St. Paul's Parish gathered in the main hall to discuss our current financial situation after the 10:30 service.

Treasurer Sue Gueulette began by going over the September Financial Statement, which showed a closing deficit of \$56, 671.64. Sue pointed out that a large portion of that deficit has accumulated over the last 3 years. For the current year, the deficit is \$20,000.00. This is a manageable amount. (Last year at this time, our deficit was \$32,000.00.) We passed a balanced budget for 2019. Our offering income is over budget by almost \$10,000.00, so the problem at this point is the expense portion of the budget. Highlighted were utilities, repairs and maintenance (which are already twice the budget for the year), and assisting clergy.

Already underway is an increase in parking fees, and a review of hall use rates

People were invited to ask questions and offer suggestions. Some of the suggestions were:

- have another *loose change* campaign
- go back to a one page bulletin (This was noted 4 times)
- no special envelopes other than seasonal
- artificial flowers for the altar
- stop paying the loan and assessment if there is no improvement by the AGM
- research our use of Hydro
- go back to using books for the services, plus an announcement sheet
- make sure we keep newcomers by making them welcome.

Warden Tony Browning made a suggestion regarding MSP Premiums. The Government is ceasing to charge Medical Health premiums after November. It was suggested that we could all increase our giving by whatever monthly amount we have been paying in MSP premiums. This was heartily endorsed as a great idea, as it has the potential to bring in a goodly extra sum each month. One parishioner also offered to make a donation of \$10,000.00, which will cut the deficit for this year in half! - A very successful meeting!
