### TLC & Project Understanding:

**TLC will be collecting canned goods from November 11th to the 20th for Project Understanding. As a family please discuss with your child the needs of others who are less fortunate. At this egocentric preschool age we would like to provide an opportunity for the children to become aware of others. We will provide a can located on the church side walk for a collection of non-perishable food items. If each child brings at least one item it will help to fill the hunger of others. The food will be boxed and delivered as a community service activity. Thank you !**

### Stay N Play:

Thank you !**
