## P.A.R.

P.A.R. is an automated process which provides another way for you to make contributions to St. George's. You can use P.A.R. to automatically withdraw money from your bank account for St. George's. It's as easy as any other automatic withdrawal service you use in your financial affairs.

### **What benefit does P.A.R. have for St. George's?**

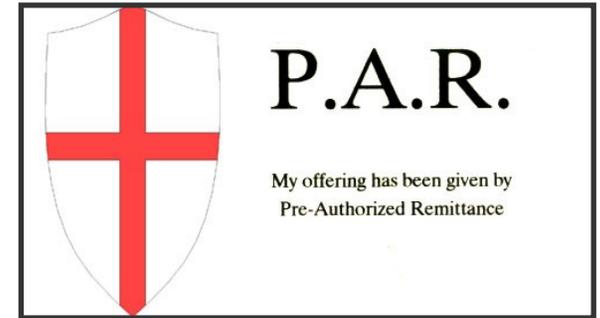

- ♦ Offerings are more consistent and regular, regardless of snowstorms, attendance, etc.
- ♦ St. George's cash flow improves so that expenses can be dealt with on a more timely basis.
- ♦ 100% of your donation is to the benefit of St. George's.

### **When would my offering be made from my account?**

- ♦ It is up to you, it can be once per week or once per month.
- ♦ You can change the amount of the withdrawal at any time.
- ♦ You can give additional gifts to St. George's at any time.
- ♦ Just as with envelope offerings your donation plan is kept strictly confidential.

### **Does this mean I no longer have envelopes?**

- ♦ There are cards available in the front entrance of the Church & Chapel which you may place on the plate
- ♦ instead of an envelope to indicate your offering has
- ♦ already been given by P.A.R. There are also envelopes available for special
- ♦ offerings.

### **Who looks after P.A.R.?**

- ♦ The Diocese of Fredericton has made the required banking arrangements and has appointed an administrator to manage all of the parishes in N. B.
- ♦ Each parish appoints a local P.A.R. coordinator who gathers applications from parishioners, ensures that all forms are completed in full and assists parishioners who wish to make changes to their plan.
- ♦ The total administrative cost to St. George's is less than 1% of the total annual donations.
