Family Music Class

Every Tuesday at 10:30am join us with your infants/babies/toddlers/preschool aged children for a fun, dancing, singing family music class! No registration required - by donation.

The BCTFD Project is a province-wide initiative that helps feed thousands across BC who rely on food banks for their basic nutritional needs.

In Squamish, the BCTFD event includes over 100 volunteers providing service to the community and is coordinated through a partnership between Church of Jesus Christ of Latterday Saints, Squamish Multifaith Association and the Squamish Foodbank. We were able to visit some 4000 homes and collected more than 9000 pounds of non-perishable food for the Squamish Food Bank in 2017. This is only made possible by the efforts of many volunteers who come together from different faith groups and community organizations to help. For volunteer opportunities and more information visit our website at <https://www.squamishunitedchurch.org>

Please consider donating the following items that are currently in need:

- TOWELS!!!
- Men's and women's underwear
- Shampoo
- Toothpaste

Please visit our website at www.firstunited.ca/give-goods for details about donation.

Place of Rescue Dance Troup is coming to Squamish

Friday, Sept. 7 – 7 – 9pm for a one-night presentation. Actually, Squamish is their first city in their upcoming 8 month trip!! Pretty exciting.

Marie Ens, the Director of Place of Rescue, was just the key speaker at Missions Fest this 2018 so she might be familiar to some of you. She has been working in Cambodia pretty much her whole life - and is 86 and going strong!! Talk about someone who has bloomed where God planted her!!!

We have invited all the churches to join us at Squamish Community Church, so we can come around these kids with a full-blessing from the Church in Squamish, to send them on the way as they tour Canada for the next 8 months.

We will also need to billet 18 people (12 kids, 3 leaders, and 3 chaperones) so if you can open your home for 2 nights, that would be wonderful. Please contact Pastor Darcy from the River Church to learn how you can get involved.

Invitation to participate in M. Div. research project

Are you a member of a United Church of Canada and have you joined a contemplative prayer group? Are you 19 years of age or older? If you answered yes to both of these questions, then Brian Thompson would like to talk with you.

He is a Master of Divinity student at Atlantic School of Theology and conducting research on the experience of members of the United Church of Canada that have joined contemplative prayer groups. Whether you had a positive or negative experience, your input into his research will help shape theories around why people like you have joined these groups.
