In **Why Suffering?**, world-renowned defender of Christianity, **Ravi Zacharias** and Oxford University philosopher **Vince Vitale** carefully walk you through a variety of responses to the question of **why God allows evil** that considered cumulatively provide a clear, comprehensive, and convincing case that **God is both loving and all-powerful**. **Why Suffering?** is written with great respect for the complexity of the issue, recognizing that many who read it will be in the trenches of deep suffering themselves.

## MISSIONARY OF THE WEEK

---

**Cynthia Friesen** – in Thailand with MB Mission

Dear Ross Road Family,

Mountains often reference obstacles and challenges in front of us but recently I read Isaiah 55:12 "For you shall go out in joy, and be led back in peace; the mountains and the hills before you shall burst into song, and all the trees of the field shall clap their hands." I felt like the Lord was encouraging me that the obstacles (mountains) in front of me were just more ways that the Lord was going to be glorified through me and through my circumstances. Mountains are just obstacles that God uses to reveal his miracles. To see the mountain (the challenge, the obstacles) and imagine them bursting before me into song because the Lord is in control, mighty and loving in all circumstances readies my feet for dancing and my lips for praising. I am praising God for the favour that we continue to have in the Juvenile Detention Centre. We meet with the girls every week and there are now 24 girls that participate in our bible study, prayer and worship times. I believe another Baptism is just around the corner with 6 girls already asking when. I invite you to pray about a new dream and vision we have about building our own Sala (meeting area) on the Juvy property. A place that we can decorate as we like, put up scripture and truth on the walls and keep Bibles and books on the shelves instead of having to bring in everything each week. The group of girls is the church already but we would love to have a tangible space that proclaims that this place belongs to the Lord. This will seem like too big a mountain, building a church on the Government Juvenile Detention Centre property, but it's just a miracle waiting to happen, a mountain waiting to burst into song.

Thank you for your continued support and prayers and encouragement.

Much love,

Cynthia
