

### **Part Three: Be Free**

One of the most prized values that we have in Western culture is freedom. There are so many wonderful aspects of being people who are free. We have, however, often misunderstood what it means to truly be free, and that's what God wants for us – freedom to be who we really are.

**Scripture:** Galatians 5:13-18

**Bottom Line:** Freedom isn't found in the absence of, but adherence to healthy boundaries.
