

Thank you

*From Rev. Kurt Selles, BTGMI Director: We are so grateful for your faithful support of Back to God Ministries International. Your gifts make it possible to proclaim the Gospel, disciple believers and strengthen the church worldwide through media ministries. May I bring you thanks from Kumsar, a former Hindu who lives in central India: "I grew up worshipping idols. Then I started listening to your Christian programs where I learned about the living God. My family and I thank you for such soulful programs which enlighten us."*
