

### **Part 5 - Get In Someone's Corner**

There are a lot of people who feel like life is a real battle right now. Some of the most powerful questions that we could ask in this season could be: How can I use my strength to help others? Whose corner do I need to be in?

**Scripture:** Colossians 4:2-6

#### **Discussion Questions**

*We hope this series will help you to find some resources to be encouraged and strengthened.*

1. Have you ever had someone in your life that you felt was always 'in your corner'? In what ways did they show you support and why was it so significant to you?
2. Read through Colossians 4:2-6. What are Paul's circumstances when he's writing this? What is his prayer request? What does this passage tell us about his priorities? How does that impact how we think about our own purpose and how we think about our lives?
3. Paul talks about letting your speech be gracious and seasoned with salt. What do you think it is like to speak to someone who talks like that? What are some of the challenges for us to practice this principle on a regular basis?
4. In verse 6, Paul says that when we are taking this type of approach with people, we will learn to know how we can respond to their circumstances. As you talk to people around you, what are you noticing they are in need of?

#### **Moving Forward**

When you think about people in your life that might need someone to be in their corner, who comes to mind? Are there ways that you could reach out and encourage or offer care to them?
