

## LHC Indoor Service Guidelines

Thank you for joining us for our indoor service. We appreciate you being patient with us as we navigate these uncharted times.

- Please RSVP for each service you plan to attend. Sign up links are posted on Tuesday afternoons.
- Masks are mandatory inside the building.
- Temperatures will be taken at the door.
- You will be seated by a greeter who will ensure proper distance between each family. Please sit where you are asked to sit. The greeters will not be able to accommodate requests for a specific pew.
- Please do not come if you are sick.
- Please do not come if you, or a close contact, are currently awaiting the results of a COVID test.
- Please exit the building when the service is over. Conversations after service should happen outdoors.
- The offering plate will not be passed during the service. If you'd like to give, please put your offering in the giving boxes that are located on the wall in the Welcome Center and in the front and back of sanctuary.
- LHCkids Ministry Options
  - Babies through Age 2: The nursery will be open for parents and children to use. The sermon will be played through the TV. Please note, there will be no volunteers in the nursery and a parent will need to stay with each child. Please note that the nursery is now located in the classroom at the bottom of the stairs off the Welcome Center.
  - Age 3 through 5<sup>th</sup> Grade: classes run by volunteers will take place in Fellowship Hall. Masks are required the entire time and snack will not be served. Please be sure to RSVP for both parents and children who will attend the indoor service and/or class.
