

DEAR BUSINESS OWNER,

The purpose of this letter is to invite you to participate in the Warriors Against Violence Society silent auction fundraiser. This year, we will be hosting our annual fundraiser online, and we are hoping to generate interest and excitement through the participation of businesses such as yours!

Warriors Against Violence Society is a non-profit organization that seeks to address issues of domestic violence in Indigenous communities by restoring the traditional values of honour, respect and equality. Warriors Against Violence has been active in the community since 1998. We offer support to men, women and families through group supports, education and an opportunity to reconnect to traditional values and practices. During the current coronavirus crisis, WAVS has continued to provide services through one-on-one and telephone counselling, and is looking forward to resuming group meetings when it is safe to do so.

As a non-profit, WAVS is entirely funded through grants and through generous contributions from the community and local business partners such as yours. This year, we are hoping to raise funds through our silent auction online in order to continue to provide services and supports that directly benefit the well-being of the Indigenous community in Vancouver. Our auction will go live on Facebook on December 7th, if you are interested in contributing we ask that you get in touch by December 1st.

Here are some ways that you can help:

- Consider making a donation to our silent auction - all items and services are welcomed!
- Participate in the auction by bidding on some items
- Like and Share our Facebook page and related auction posts to help us get the word out!

We thank you for your consideration and appreciate any support that you can offer!

Sincerely,

The Warriors Against Violence Society
