The synod office building is closed until public health recommendations suggest it is safe for us to return. Please be assured that we are still open digitally. Please call or email using the information found on our website here <https://bc.anglican.ca/staff>. We are monitoring our email and voicemails and continue to be here to serve you during these uncertain times. Please be safe, wash your hands often and for at least 20 seconds, socially distance yourself from others and stay home if you are at all unwell.

We acknowledge that for thousands of years the Coast Salish, Nuu-chah-nulth, and Kwakwaka'wakw peoples have walked gently on the unceded territories where we now live, work, worship, and play. We seek a new relationship with the first peoples here; one based in honour and respect, and we thank them for their hospitality.
