DO YOU HAVE HOPE THIS CHRISTMAS?

Christmas is a celebration of the promise that no matter how broken our world can become or how dire our circumstances may be, God can and will make all things right again.

While we do not know what kind of a year you or your family have had, we do know is that there is no situation too difficult or relationship too broken that God cannot heal.

Perhaps this Christmas is the season you reconsider a message of hope. We would love to have you and your family join us for the Christmas Eve service at Maple Ridge Baptist Church. You are invited to come and discover how true hope is found in the story of the birth, death and resurrection of Jesus Christ.
