## New Small Groups:

### College and Careers

Are you 18 to 29? Looking to connect with other people around the same age as you? This new young adult small group will be geared around having fun, sharing in fellowship, and learning more about God's Word together. If you are interested, please contact Jesse Ramson, Director of Children and Youth Ministries or emailing youth@oursaviourchurch.ca. The times, dates and activities will be determined by the group. The first meeting will be at the Church on Saturday, October 8th at 7 pm.

### The Role Playing/Playtesting Group

This group will meet and play roleplaying games (RPGs) where the player are typically the "stars" of the story, and the Game Master controls all the antagonists, support characters, weather, animals and other forces of nature. Games can be set in many genres like superheroes, fantasy, science fiction, mysteries, espionage, literary horror, cartoon/slapstick, etc. This group can also playtest new games and products being developed for publication (as a reward for play testing, players would be mentioned in the final published product and may be eligible for other awards). Players should be mature teens or adults and have a good imagination and the ability to problem solve. Meet on a Friday or Saturday once or twice a month—to be determined by the group

### The Running Group

This group is for all levels of runners. Whether you're working toward your first 5 k or are a seasoned marathoner, you are welcome to run with us! We will do our best to maintain a pace that works for the group, and a few can always run on ahead if they have the need for speed. If there is interest, we could also register for a local race or fun run together. The group will meet on Wednesdays at 7:00 pm. The locations will rotate through the Glenmore Reservoir and Fish Creek Park.

The first meeting will be this coming Wednesday October 5th. Contact the office or let Leah Thormoset know you are coming and ask to join the closed Facebook group to stay connected.

### Wittenburg Castle Crew (Just think what we could do!)

This group will get together, to share fun, crazy ideas. Many ideas will be rejected as unworkable. Ideas that are fun, safe, memorable and educational events will be taken to the rest of the congregation. The group will meet weekly or bi-weekly on a day to be determined by the group.

One idea might include: *Holy Rolers Pushcart Race* where kids and parents are encouraged to work together, building the body of their racer in any fashion that they desire (e.g. soap-box-derby style). The car can be painted in any fun colour scheme; with the name of a favorite disciple and some of their scripture clearly displayed on each external surface. The race day will be organized by the group. If this sounds like something you might be interested in please contact the office or Doug Gerbrandt

**Women, Equality & Scripture Study Group:** This small group will be lead by David Yates. David has spent the last 5 years studying the status and treatment of women in preparation for writing a book. The book originally was to be focused on women in the ancient world but David soon realized that there was very little written about women at that time due to their very low status. This lead David on a journey to discover how things have changed from ancient to modern times and how scripture has influenced these developments. Join David as he discusses ancient times, Greek and Roman influences on the Jewish traditions and finally the emergence of the New Testament influences on the search for equality. If you are interested in joining this group please contact the office as soon as possible. The class will be held weekly or bi-weekly on a mutually agreed upon evening determined by the group.

Please check out the Vine for a list of all Small Groups. You are welcome to join at any time.
