November - RIL/Aboriginal Neighbours

Aboriginal Neighbours is an ecumenical organization initiated by the Anglican Diocese of British Columbia. The organization was formed out of its members' concerns for the First Peoples and the future of aboriginal children. Revitalization of Indigenous Languages: a Gift to Future Generations (RIL) was started by the Aboriginal Neighbours Group in response to the Truth and Reconciliation Commission's Report, Call to Action # 61 that calls upon church parties to the Settlement Agreement to establish permanent funding for culture and language revitalization projects. Undertaken in conjunction with the First People's Cultural Council, the RILL project supports elders who are fluent speakers of their language to work with apprentices, as mentors, and to pass along the language that was taken from so many in the residential schools.

December - Rector's Discretionary Fund

This provides the rector with money that he can give away and use at his discretion. It could be to help a family in the parish whose house burned down. It could be used to buy a sandwich for a street person. It allows the parish to help people quietly and gives the rector a budget that he can use as he sees fit without getting approval from wardens, parish council, or vestry.
