

Extended Care Registration 2021-22

Extended Care Enrichment classes are offered to children already enrolled in a three or four year old class. This gives them a chance to extend their day from three hours to five hours. Extended care begins at 12:15 and ends with pickup at 2pm. Children receive instruction in the class(es) of their choice for the first 45 minutes and then lunch and playtime until the end of class. Extended care schedule:

12:00 Children are taken by the lead teacher to their extended care class

12:15 Children will attend their enrichment class until 1pm

1:00 Children will have lunch, which they brought from home, and play time in our gymnasium, or playground

2:00 Pickup time

Cost per month

\$65 for one day

\$95 for two days

\$125 for three days

\$155 for four days

This cost for each day of class includes: child care for 2 hours and the enrichment class

Monday's enrichment class is Fun with Language and Exploration Station taught by Kimberly Peterson. The first semester will concentrate on the Spanish language. Music, games, and other tools give children the opportunity to hear, practice, and see Spanish language for vocabulary and development. Curriculum includes lessons on greetings, numbers, colors, animals, family, body parts and pets. The second semester will involve math and science fun! Children will learn beginning math concepts through music, games, problem solving, puzzles and hands-on science experiments to learn about the world around us. We predict, observe, experiment and draw conclusions. Be prepared to get messy and to have lots of fun!

Tuesday's enrichment class is Doodlebugs art class taught by Casey Liscinsky & Beth Haggard. This class explores different mediums of art and includes learning about famous artists. Your child will get messy! 😊

Wednesday's enrichment class is Tots n Tunes class taught by Katie Donaldson. This class would incorporate music, rhythm, dance and movement with musical instruments to encourage self- confidence, individuality, and musical interpretation.

Thursday's enrichment class is Fitness and Fun taught by Kimberly Peterson. This class will explore movement and exercise in the gym with music, games, books and accessories, to include bean bags, hoops, scarves, balls, rhythm instruments and more! Musical games, yoga games, traditional games, and songs are some of the activities planned.
