

I am fearfully and wonderfully made...

— Psalm 139:14

Nothing compares with the wonder of a newborn baby - a life filled with unlimited potential, abounding hope and a breathtaking future. While some rejoice in that awe and wonder, others are faced with fear in the face of an unplanned or unexpected pregnancy. For over three decades, Precious Life has endeavored to help women move from a place of hopelessness to a place of abounding hope. Because of your generosity, all of our services are offered free of charge throughout Central Pennsylvania and even reaching into Romania, with our sister ministry - PULS.

We provide:

- Free pregnancy tests
- Options counseling
- Post Abortion Counseling
- Assistance with Maternity and Baby Needs
- Earn While You Learn Educational Program

Will you join us in showing hurting moms the wonder of the life God has given? Ways you can help:

- Pray for Precious Life
- Become a Financial Partner
- Volunteer
- Be a Church Liaison
