

November 12, 2020

To Our Amazing Supporters,

Greetings from the beautiful land of Malawi—the warm heart of Africa. Helene and I need to convey some important information to you but allow us to begin with a huge thank you for your continuing prayer and financial support!

Covid-19 has brought change everywhere. Malawi and our ministry is no exception. A huge positive is that it has fast tracked our engagement of technology at the Bible College and Church. We are now able to deliver many services through various media methodologies. Going forward, these enhancements will enable both the Bible College and Church to expand their ministry and impact.

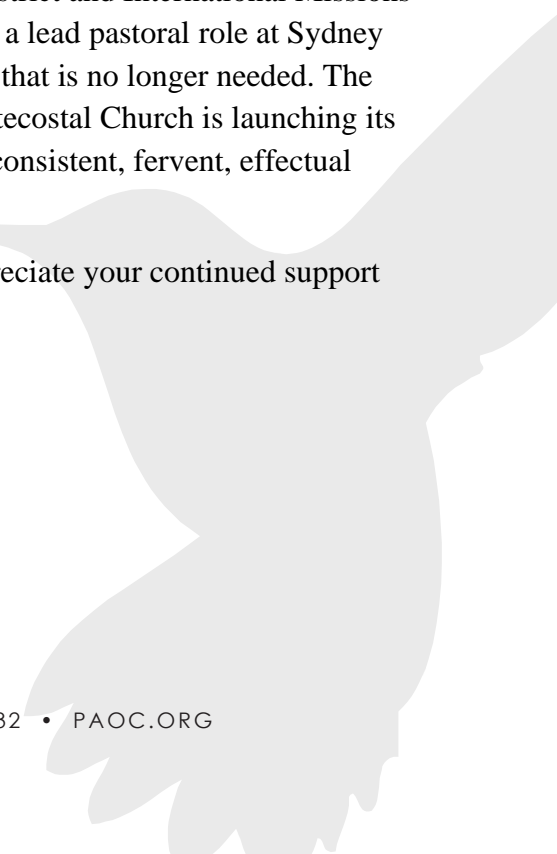

There have been other significant changes on the field of Malawi. These will impact the ministry going forward. In mid-September we began the important process of ministry and budget planning for 2021. During this process, we came to some important conclusions. It is our belief that we can continue to be fully effective in what God has called us to do here without being physically present on the field fulltime. Teaching, administration, etc. can be done remotely. As a result, we felt the Lord prompting us to move to a Global Volunteer status. This will save thousands of dollars. We will continue to come to Malawi to do those things that require our presence.

Further, since we will not be fulltime on the field, we engaged the District and International Missions Department in discussion re next steps. Consequently, we have taken a lead pastoral role at Sydney Pentecostal Church. They were willing to share us with Malawi until that is no longer needed. The Bible College will continue to need some financial support. City Pentecostal Church is launching its building program and can also use financial support. Both will need consistent, fervent, effectual prayer support.

Again, thank you for standing with us over this past decade! We appreciate your continued support as we move into this next phase of ministry.

Sincerely

  
Signature of Global Worker
